

Collin Mathis

IT Consultant

My goal is to create an environment that will make a positive impact on future generations. To be able to stamp my name on something that has meaning and intent on making the world a better place.

Experience

2019 - Present

IT Consultant *Sigma Information Group*

I deployed complex solutions using different technologies such as Exchange, VMware, Windows Server, and network infrastructures. I then maintained and supported all these different technologies. I also created and developed plans for maintain and updating my client's data infrastructure. I would also run tier 1 support on stop of my current responsibilities.

2016-2019

Systems Administrator *Channel Control Merchants*

I maintained and developed basic server and networking infrastructures in multiple states inside warehousing facilities. I would also assist in On-Call rotations and tier 1 support.

2012-2018

Infantryman *Army National Guard*

Summarize your key responsibilities and accomplishments. Where appropriate, use the language and words you find in the job description. Be concise, targeting 3-5 key areas.

Education

2015 - 2016

A.A.S Computer Networking

Jones County Junior College
